Answer the following questions on the spaces provided

1. How many certified/licensed WSSF Distance Racing Officials must be present at a Championship event?

2. At National Championship events how many certified WSSF Distance Racing Officials must be present?

Name them _____

3. Name the race official who has control of the order of starting of athletes _____

4. Name the race official who has control of the trail layout and distance raced. _____

5. List two reasons why course marshals/officials must be placed along the trail at crucial points to observe competitors.

A. _____

B. _____

6. Please reiterate the count-down at the start line.

7. Describe the placement of competitor's snowshoes at the start line.

8. How many timers are at the finish line? _____ How many recorders? _____

9. What is the purpose of the order of finish recorder at the finish line? _____

10. Describe what a competitor must do if he/she loses a snowshoe during competition.

11. Describe what a competitor must do if he/she falls during a race.

12 During a WSSF sanctioned competition, athlete A comes to you, the race coordinator, and tells you he was elbowed (on purpose- he believes) by athlete B, 1/2 kilometer into the race. Athlete A feels that his finish time was compromised and "What are you going to do about it?"

Refer to the rules and outline your procedure for dealing with this problem, which is unfolding in the heat of competition.

Upon completion of this exam, your paper must be mailed by the examiner to the WSSF headquarters for correction. The corrected exam will then be returned to each individual.

If a passing score is earned, a certification card will be issued. The card will be valid for life.
